Acknowledge, agree, and represent that I understand the nature of Kids, Incorporated activities and that I am qualified, in good health, and in proper physical condition to participate in such activity. I further agree and warrant that if at any time I believe conditions to be unsafe, I will immediately discontinue further participation in the activity.

2. Fully understand that: (a) Kids, Incorporated activities involve risks and dangers of serious bodily injury, including permanent disability, paralysis, and death ("risks"); (b) these risks and dangers may be caused by my own actions or inactions, the actions or inactions of others participating in the activity, the condition in which the activity takes place, or the negligence of the "releasees" named below; (c) there may be other risk and social and economic losses either not known to me or not readily foreseeable at this time; and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my participation or that of the minor in the activity.

3. Fully understand that: a) participation includes possible exposure to and illness from infectious diseases including but not limited to MRSA, influenza, and SARS Coronavirus. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist; and, b) I knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of the releasees or others, and assume full responsibility for my participation; and, I willingly agree to comply with the stated and customary terms and conditions for participation as regards protection against infectious diseases. If, however, I observe any unusual or significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,

We do not guarantee our facilities, or facilities we use for our programs that are owned by other entities, are risk free from any micro-organisms such as germs, viruses, bacteria, molds, fungi, etc..

I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid the balance, notwithstanding, shall continue in full force and effect.
